Art of the Garden

curated by Polly Burnell

May 8–July 12, 2009

Putting together a show is a treat. Picking out work, and discovering new work in the process, and mining the rich PAAM collection with a focused eye is a privilege I am grateful for. I have included some artists that may be new to you, as well as rarely seen works by well-known artists from private collections and our local galleries.

I hope you enjoy looking at it as much as I enjoyed curating it.
