August 2009 marks the Provincetown Art Association and Museum's 95th year and to celebrate this illustrious milestone, PAAM is proud to present works from the permanent collection by several of the founding artist members - Charles W. Hawthorne, Gerrit Beneker, Edwin Dickinson, Oscar Gieberich, William Halsall, and E. Ambrose Webster. The collection has been the basis for many exhibitions and has served scholars, researchers and other museums. Including close to 3,000 objects from artists who have lived or worked on Outer Cape Cod, the collection is a burgeoning historical record of the art colony.
