

## Lillian Orlowsky + William Freed Museum School Materials List

### Drawing Skills with Valerie Isaacs

Please bring the following to be prepared for your workshop:

A portable easel if you have one

A small folding seat if you prefer to work sitting down

Drawing board (optional)

4.5 oz can Blair spray fixative (toxic. If you prefer, aerosol hairspray works almost as well to stop drawings from smearing).

14 x 17 Drawing paper pad. I like to use Strathmore Charcoal 500 series, or Strathmore 400-series Drawing paper.

18 x 24 drawing pad if you will work standing up.

Kneaded gum eraser

Box of soft vine charcoal

3 large bulldog clips

A 2-B drawing pencil

A 4-B drawing pencil

Sharpener or razor knife

Other drawing materials that you like to use (optional)

Please remember: You will get charcoal on your clothes and hands. It could be hot, so bring a hat and water.

#### Solvent Notice (where applicable)

Turpentine, regular Turpenoid, regular mineral spirits, Damar Varnish and Spray fixatives (or any aerosol sprays including spray paint) are NOT ALLOWED in PAAM studios.

Approved Solvent: Gamsol

Here's why: Gamsol contains 1/3 the toxicity of turpentine. Gamsol separates liquid from paint particles when left to sit in a jar. As a result, the "clean" fluid can be poured off and used repeatedly, while pigment sediment can be disposed of. Also acceptable is Martin/F. Weber Co. Turpenoid Natural.

Approved Mediums: PAAM recommends Chartpak's Grumbacher Alkyd Painting Medium or Grumbacher Copal Painting Medium; Winsor & Newton's Artisan Painting Medium or Artisan Water Mixable Fast Drying Medium; or one of the natural oil products such as Daniel Smith's Poppyseed Oil.

Gamsol and many of these other products are available for purchase at the Artist-Loft or Conwell Lumber in Provincetown.

#### Workshop Location

Directions will be provided upon registration

#### Parking

Unfortunately, parking is not available at PAAM. Students are encouraged to drop heavy materials off at the School before class, and to allow time to park and walk. If doing so, please pull into a space and leave your blinkers on. Provincetown is a great walking and biking town. There are two bike racks at the Museum.

Parking on Bradford or Commercial Streets: Street parking can be found within a few blocks radius of PAAM on Bradford and Commercial streets. Please pay close attention to yellow lines, which signify tow zones. Please do not park in Angel Foods parking lot or block driveways on either street as your car will be towed. Street parking is available on many nearby side streets.

Provincetown's Public Parking Lots: Parking Fees are in effect April through October.

Johnson Street Parking Lot: corner of Commercial St. and Johnson St., parking meters.

FarLand Market Parking Lot: corner of Johnson St. and Bradford St. (next to FarLand Market)

MacMillan Wharf Lot: base of MacMillan wharf.

There is also a parking area with meters along Harry Kemp Way, close to Conwell St.

Handicapped Parking: For those people with handicapped placards, there is a space reserved in the PAAM lot on Bangs St and two spaces on Commercial St.

Alternatives to driving:

The FLEX bus:

The FLEX bus runs daily from Harwich down to Provincetown (800)352-7155 [capecodtransit.org](http://capecodtransit.org)

Other Parking Alternatives: If you know of parking not listed here, can offer suggestions to resolve parking issues, or have parking questions please speak with Kiah Coble.
